>Laura has been coordinating with Karen Schwinn/Erin re: Bay Delta MOU to integrate NEPA/CWA. She deferred to Tom Hagler re: what it says for NEPA integration. Purpose and Need has already been discussed and a letter was stating our disagreement. (MOU will formalize our points of providing feedback).

>Tom modeled the Bay Delta MOU after HSR mou which is modeled after the 2006 Caltrans MOU

>Karen will participate in NEPA/404 MOU briefing for Jared and will speak to Bay Delta merger MOU and process if it comes up. No briefing is scheduled for Jared yet for this, but she will inform Laura/Kathy if one is set up. May or may not occur before our August 10 NEPA/404 merger briefing for Jared.

>Jason Brush scheduled a pre-meeting for August 9th so we (ERO/WTR) can get on same page and confirm messaging prior to briefing for Jared.

See draft Bay Delta MOU below (waiting for DWR to approve for sig.) and see summary completed by Erin which does an excellent job of outlining this very complex processt (who what where...) (all internal for now)

Thanks,  
Connell

OK, I am sending you a version no one else has seen. What we did was take the version that went to Nawi and Paul Robershotte and tried to clean up all the formatting problems (numbering and paragraph indentation, plus, according to Erin, some typos). So let's work off of this version even if it is a tiny bit different than what should be at DWR already.
